If you purchased a new rental property during the year, it is extremely important that you provide the following information:

1. Full address
2. Cost (before GST) of the building (you should also provide the cost of the land, separately)
3. Percentage to be attributed to yourself, or others
4. If available, please provide the purchase documents

*** If this is your first year preparing your taxes with More than Enough, it is extremely important that we have a copy of your rental statements from the prior year.**
